

We invite you to join El Diamante High School P.T.S.A

El Diamante PTSA welcomes you back to another exciting school year. We are starting the 2017 year with our PTSA membership drive.

Our goal is to have 100% membership at El Diamante. That means every student is covered by a paid member of El Diamante High School PTSA. Our current student enrollment is over 2,000 but our membership is not there yet!

Why should you join?

PTSA's are a voice for students in the education system. We have our roots in advocacy and speaking up for students locally, at state and national levels. The more members we have, the louder our voice. We need to know the current concerns of our school community. This is an organization that will act on immediate school needs.

Major corporations and special interest groups always have lobbyists to protect their interests, but who protects the interest of the children of this nation? The PTA is the largest child advocacy group in the U.S., which lobbies and protects the interest of our children, our future. It starts with each one of us – one membership adds up to thousands of members, and thousands of voices, all for the kids.

What are the benefits of PTSA?

High school is a time for students to grow and mature. We realize parental involvement is different from elementary and middle school – however, joining is just as important. By becoming a member of PTSA and attending meetings, parents can stay informed of the events and decisions taking place at our school (We have been instrumental in creating online class options for students with impacted schedules). PTSA members can take advantage of other benefits – from Comcast to Jamba Juice. Just ask!

Anyone can join El Diamante's PTSA; students, parents, teachers, grandparents, aunts, uncles, friends and neighbors. **Joining PTSA does not require involvement unless YOU choose to participate in PTSA sponsored activities.**

Membership is \$15.00 per person and we encourage your student to become a member too. Student membership is \$10.00. We welcome students to attend our meetings which can be applied as volunteer hours. **Senior students must be PTSA members in order to qualify for State PTA and local PTA scholarships.** Students, PTA volunteers, teachers, counselors, and school nurses are eligible for continuing education scholarships.

Our meetings are usually held the first Monday of the month at 6 p.m. in the Career Center. However our next meeting will be Monday, March 6, 2017 @ 12:20 p.m.

We need volunteers all year long. Please let us know what area you may be able to volunteer. We prefer to contact you by e-mail. Please fill in all information. We will not make your address, phone number or e-mail available to any other organization. This is for PTSA contact purposes only. Please see back to complete Membership Form.
