If you worked on your scholarship essay in your English class, you can just copy and paste it into the application. If not, it doesn't need to be long—no more than one page. Here is the prompt: Provide information that will distinguish you from other applicants in terms of your goals, aspirations, and achievements. You may indicate other information about yourself or your family that may help the scholarship committee discern your need for a scholarship. The deadline is January 31, so don't procrastinate!
