

EL DIAMANTE HIGH SCHOOL

Dear El Diamante High School Family,

We are asking our El Diamante families and alumni for monetary donations to support our PTSA Fundraising Drive. The Fundraising Drive helps fund our Holiday Care Package program, Senior Scholarship Program, Student Wellness Programs, as well as Teacher Appreciation week.

With funds raised last year, we were able to provide \$50 gift cards to a local grocery store to forty of our El Diamante families. Of course, we would like to be able to match or exceed that number again this year. Our PTSA has distributed holiday meals since 2004 to El Diamante families with limited resources. In addition, we were able to give seven \$500 scholarships to our graduating seniors from the class of 2020.

This year, due to COVID-19 restrictions, our fundraising opportunities are extremely limited. The pandemic has also added to the financial burden of many of our most economically challenged families. Your generous contribution to PTSA will allow us to share some joy just in time for the holidays.

El Diamante High School PTSA is completely reliant on charitable donations in order to be able to continue to provide these programs. That is why we ask you to remember PTSA with a charitable gift in support of our school community.. We are a non-profit organization and your donation is tax-deductible.

Donations can be made at:

El Diamante High School Admin. Office
Attn: PTSA – Donation
5100 W. Whitendale
Visalia, CA 93277

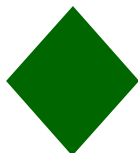

Please make checks payable to EDHS PTSA, by November 20, 2020.

Any amount is greatly appreciated and all donations will go toward programs that directly benefit our students.

Thank you for your consideration and Happy Holidays!

Sincerely,

El Diamante PTSA
