WHO

#LEAD is a Leadership and College/Career Readiness program offered to high school juniors and seniors.

Funded by HHSA and the Tulare County Board of Supervisors. #LEAD is entering its 9th year providing services in Dinuba, Porterville, Tulare, and Visalia.

WHAT

Members attend biweekly sessions facilitated by CSET staff to learn about Time Management, Mental Health, Healthy Relationships, Study Habits, Financial Literacy and more! Each cohort will meet local leaders in the community at their biweekly sessions as well as gain insights from local mentors in their areas.

In addition, members are exposed to universities with two field trips: one to a CSU and the second to a UC. Throughout the year, students engage in volunteer service with non-profit organizations and attend youth conferences.

WORK

Students that successfully complete the program have the opportunity to earn paid summer work training to gain job training skills aligned with their future career interests.

We strive to connect youth with the best mentors and provide opportunities to practice their learned leadership skills.
