- This email is for **All Seniors**, those that have applied for COS and those that have not. COS is offering another application workshop on Wednesday, January 27th at 12:00PM. Here is the link: [zoom link](#). It is **highly** recommended that all seniors apply to COS, regardless of your plans for next year. Remember, it's always good to have a Plan B. If you apply to COS and don't end up going, you will not need to do anything, but it will provide you with a back-up option if needed. If you have submitted your COS application for Fall 2021, you do not need to attend. The next step for you will be to look for an email in your COS GIANT email account regarding scheduling your COS counselor appointment. Directions on how to complete this were sent out by COS this morning (January 19th) to the email address you provided on your COS application.
