- As the UC application deadline and the staggered private school deadlines approach, all with their own writing components, students need essay proofreading now more than ever. In order to help meet this need and to empower students to feel confident in the application essays they submit, Central Valley Scholars will be conducting a *free, virtual College Essay Writing: Pop-Up Workshop on Wednesday, November 17th from 6-8 pm* for students wanting to get constructive feedback on their essays before submitting. To learn more about this event and register click here: <https://www.eventbrite.com/e/college-essay-writing-pop-up-workshops-tickets-204036016217>
- Students are also encouraged to come hear from college advisor, Marisa Zepeda who has worked with **MIT, Yale, and UC Berkeley admissions** to learn more about the differences between public and private universities. She will be providing an overview of the private school application components and discussing the impacts of COVID-19 on the application process. Unlike most of our webinars, this event *will not be recorded* so in order to take advantage of this resource, students are highly encouraged to attend the event live. Taking place on **Monday, November 22nd from 5-6 pm**, students can register for her **Private School Application Webinar** here: <https://www.eventbrite.com/e/private-school-webinar-registration-204040700227>
- Please be courteous to the businesses you patronize during lunch and to our neighbors in the surround neighborhoods surrounding campus. Please pick up your trash and clean up after yourself.
- **Tardiness and cutting classes are a serious concern on campus.** Students with FOUR or more tardies in a school week will be subject to lunch detention and revocation of off-campus privileges. If students continue to be habitually tardy to classes and when returning from lunch off-campus, they will be subject to a loss of off-campus privileges for up to an entire marking period. Please do your best to be ON TIME TO EVERY CLASS and engaged in learning the entire period.
- **Effective immediately: Students who do not have an ID card will not be allowed off campus for lunch.** Schedules and ID numbers will no longer be sufficient. If a student has not taken their picture to get an ID or needs a replacement, they may see Mrs. Sanchez for a new ID card, which may be subject to a \$5 fee.
- If you have a lost item, please come by the Attendance Department to see if we have it. Items will be discarded on a weekly basis every Friday, at the end of the school day.
