Students must be logged into their VUSD account in order to access this application. This is the essay prompt and the essay format. Please have your essay ready to copy and paste before you click on the link to complete the application.

Submit a statement providing information that will distinguish you from other applicants in terms of your goals, aspirations, and achievements. You may indicate other information about yourself that may help the scholarship committee discern your need for a scholarship.

FORMAT: 1 page (single or double spaced), Times New Roman font, normal margins (1"), title is not necessary. USE paragraphs! Do NOT go over the page limit or your application will not be reviewed. **This local scholarship application is due no later than December 8, 2023.**
