- 1. Students and Staff:** We will start requiring students to scan their ID when using the restroom on **Monday, October 2, 2023**. Please make sure you have your ID and classroom pass when going to use the restroom.
- 2. A friendly reminder that students must have their student IDs on them at all times on campus, especially when entering school in the morning, when leaving and returning from lunch, and for attending school events. Students who never received a 2023-2024 ID card or who have lost their 2023-2024 ID card should go to the office to order their new one. IDs are no longer printed on site and are now printed at the district print shop so there is a delay in getting the new ID cards, so order ASAP. Please see Mrs. Cutler, Mrs. Jasmin, or Mrs. Jacuinde for more information. ID cards are unable to be ordered during lunch but Mrs. Jacuinde is available in the finance office to process the payment.**
- 3. ATTENTION ALL STUDENTS:** Any student that does not have a 5th and/or 6th period, and is planning on staying on campus, **may not be out roaming the campus**. You must either go to the library and sign in or go to a specified meeting room that has already been approved.

15. **Scholarship information:** There is a local scholarship application that you are highly encouraged to complete and submit. Golden West also has a scholarship committee that nominates students for different scholarships that are offered by many local businesses and organizations. You only have to complete one application! It's super easy! That one application may put you in the pool for many scholarships. The application consists of demographic questions, school/community activities, and a 1 page essay. Students must be logged into their VUSD account in order to access this application. This is the essay prompt and the essay format. Please have your essay ready to copy and paste before you click on the link to complete the application.

Submit a statement providing information that will distinguish you from other applicants in terms of your goals, aspirations, and achievements. You may indicate other information about yourself that may help the scholarship committee discern your need for a scholarship.

FORMAT: 1 page (single or double spaced), Times New Roman font, normal margins (1"), title is not necessary. USE paragraphs! Do NOT go over the page limit or your application will not be reviewed. This local scholarship application is due no later than December 8, 2023. This is the link to the application.
