XL Program: Attached is information on a ***scholarship opportunity*** for graduating seniors attending either a 2-year college or a 4-year university, offered by Pro Youth. The application deadline is April 12, 2024, and I've attached the application for your reference.

*Additionally, we are excited to announce that we're opening up **tutoring applications** to juniors for the upcoming school year. If you know a student who would be interested in applying, please let me know.*

Check out the newly updated calendar of events for our XL Program every month. (a copy of the calendar is attached)

***For current students requesting transcripts please see the attachment.**

!!!FAFSA Deadline Extended to May 2!!! Every senior must complete the FAFSA or CADAA. Launch your application through Californiacolleges.edu. Still having trouble with the application and need help? COS and Fresno State are both holding workshops to assist you and your parents. COS workshops are in person and space is limited so RESERVE YOUR SPOT TODAY! Fresno State has in person and virtual (zoom) workshops. Please remember that you do not need to be attending either of these schools to attend their workshops. Any senior and their parents are welcome. Do not wait until the deadline to submit. There have been many glitches with the new system so it is important to get this done now if you have not done so already.

LOST AND FOUND ITEMS: Students come to the attendance office to look for sweaters or jackets and any other items that may have been turned into the lost and found. See attached flier.

Students and Staff: After receiving input from various stakeholders about the number of students out of class during 6th period, effective immediately, and until further notice all students will be *escorted to and from class* whenever they need to leave (restroom, nurse, counselor, admin, etc.) for *this period only*. This is only for students that are requesting to leave the classroom and not for those that a pass was sent for them to report to someone (nurse, counselor, admin, etc.). All students with an unscheduled 6th period will leave campus or report to the library until the end of the school day. Thanks.

We are requiring students to scan their ID when using the restroom. .A friendly reminder that students must have their student IDs on them at all times on campus, especially when entering school in the morning, when leaving and returning from lunch, and for attending school events. Students who never received a 2023-2024 ID card or who have lost their 2023-2024 ID card should go to the office to order their new one. IDs are no longer printed on site and are now printed at the district print shop so there is a delay in getting the new ID cards, so order ASAP. Please see Mrs. Cutler, Mrs. Jasmin, or Mrs. Jacuinde for more information. ID cards are unable to be ordered during lunch but Mrs. Jacuinde is available in the finance office to process the payment. Temporary student IDs will only be printed by Mrs. Jasmine in the front office before or after school.
